Glazed Porcelain Tile | Wall tile

Aquarelle Black | Yellow | White

Our desire to innovate through collaboration and our admiration for contemporary art inevitably led us to Vik Muniz. A broad space for experimentation.

His personality - restless and expansive - sparked debates beyond the material and influenced reflections on behavior, art, and design.

Vik demonstrates in his work an interest in discussing the true meaning and value of objects. His works invite us to understand the part before the whole, or the whole before the part. Small diamonds form celebrities. Confetti brings historical figures to life. Shredded - and useless money gains new value by recreating elements of nature. Vik lends this same creative eye to ceramics and creates a new texture that surprises both eyes and hands.
